

Letter of Recommendation for Ayaan Goel

Ayaan Goel attended the Thapar Entrepreneurs Academy (TEA) class of 2023 at G D Goenka Public School, Vasant Vihar, Delhi.

Throughout the program, Ayaan has successfully demonstrated his eagerness to learn and use critical thinking during various class discussions. He possesses a positive and enthusiastic personality. He has been an active participant in class discussions and during various mentors and speaker sessions. He is articulate and his questions and comments are always bright and relevant.

At our investor panel, his slides had an in-depth analysis on the marketing and financial aspects of his plan, thus demonstrating the extensive research and efforts put in by him. He spoke with confidence and answered the questions from our investors in a very logical and concise manner and won the second prize for his business idea Uniconnect- A platform that allows students to build their profile using AI at a fraction of the counsellor fee.

We are confident that he will continue to grow and be an asset to any institute he joins.

We wish Ayaan Goel the very best in all his future endeavors and look forward to staying in touch with him.
